Re: IDS Filing Credit  
Our Reference Nos.: 506422.0116  
506422.0047

Dear Ms. Sims:

On January 23, 2004, an Information Disclosure Statement (IDS) was filed for Divisional Patent Application Serial No. 10/689,108. A serial number had not been assigned to that application at that time. A copy of this IDS is enclosed. I have marked out the number written in by the Patent Office and replaced it with the correct serial number. The Patent Office erroneously matched this IDS with the parent application, Serial No. 09/893,314 and charged \$180.00 to Deposit Account No. 19-4409. Please credit this amount back to Deposit Account No. 19-4409. Also, please match this IDS with the correct file. You may reach me at the above listed numbers if you require additional information. Please notify me once you are able to credit our account.

Sincerely,

Susan Wharton Bell
